Jonathan and Elizabeth,

I am preparing to file papers next week relating to the tax and securities issues arising under the current version of the plan of distribution. I am still waiting on final versions of both expert reports. In the meantime, I wanted to move forward with obtaining permission to file the reports under seal and in getting an NDA in place with you so we can turn things around relatively quickly when I do get the reports.

Can you please let me know whether the attached NDA is acceptable and whether you support the Administrative Motion to file the reports under seal?

Separately, I would like to arrange a meet and confer with you later this week so we can discuss my current thinking based upon the reports. Are you available on Thursday or Friday of this week for a call?

Kathy
